

## Camera Club Summer Challenge 2010

*Up to three prints per challenge, not bigger than A4 and unmounted. All that is required is for you to visit the venue at your choice of time over the stated weekend. Put the title on the rear of each print, and then your name and print titles on the rear of this document*

Weekend of 12<sup>th</sup>/13<sup>th</sup> June

**Venue** Stackyard Nursery, Old Station Road, Mendlesham, IP14 5RS.

On 4<sup>th</sup> February 2009, Stackyard Nursery was featured on a channel 4 television series “My dream farm” that was hosted by Monty Don.

The nursery is still in its infancy but has a selection of perennial plants as well as several varieties of pigs. You will need to wear your wellies to get close to the pigs

You can find further information at [www.stackyard-nursery.com](http://www.stackyard-nursery.com)

Karen the co-owner of the nursery will pick the winner and has offered a pork joint as a prize for the author of the winning print.

Weekend of 26<sup>th</sup>/27<sup>th</sup> June

**Venue** “Wyevale (Bressingham) Garden Centre”, Bressingham.

Here you are invited to photograph in the garden centre (sorry but the steam museum is not included)

Mr. Goodall, manager of the garden centre will select the winner and has agreed to give a prize to the author of the winning print.

Tuesday 13<sup>th</sup> July

Meet at Montgomerie Lodge, bring your prints and we will talk about the entries and review the two events in order to judge their success with a view to a repeat in 2011. Do not forget to bring this document with you.

*Remember that Stackyard Nursery and the Wyevale Garden Centre will retain the pictures for their own use, but it has been made clear that the sole and total copyright of the photograph remains with the author.*
